

Are you seeking real-world experience? Do you desire hands-on training with an opportunity for advancement? Intern with Document Managers, a leader in Document Conversion.

Company Description:

Document Managers is a document management and imaging company that has successfully provided hardware, software, equipment, supplies and service solutions to State & Local, Commercial & Federal government customers within the Washington Metropolitan area. Our mission is to provide specific solutions to the document management challenges faced by companies doing business. Document Managers is focused on using technology and tools that put the right information in front of the right person at the right time.

Location: Washington DC, Silver Spring MD

Industry: Information Technology

Internship Duration:

Summer: 12 weeks, full-time (40-plus hours per week)

Fall and Spring: 12 weeks, part-time (maximum of 24 hours per week)

Note: Duration and hours required may vary per internship

Document Manager's Internship Program is designed to provide meaningful hands-on training and experience in the areas of Human Resources, Information Technology, Finance, Sales, Project Management, Business Development and Entrepreneurship. Our internships offer the practical opportunity to become an integral member of the staff and to work side-by-side with professionals supporting and administering the full spectrum of Business and Information Technology.
